

# Look After You

[Aron Wright](#)

When you think you're all alone  
I'll wrap you up and I'll take you home  
No matter what you're going through  
I will look after you When you get knocked down and you've had enough  
Oh I'll be there to dust you off  
When you don't know what you're gonna do  
I will look after you And if you ever should lose hope  
Follow my light from afar  
When you don't know where you're going to  
I will look after you  
I will look after you  
Someday it will come to you  
I'll need you to look after me
