Hesitation

Eric Roberson

Why do you spend all your time
Watching life pass you by, hanging on to your pride?
All that you can anticipate
Hoping all your mistakes will somehow fade away
What are you to do with this?
It's either hit or miss
You know the answer now
Come on, give your heart away
I know you hurt inside
I know the reason why
Don't wait a moment
Come on and give you heart away
Why the hesitation when God is ever waiting?
Gotta stop procrastinating, can you feel me?
Why the hesitation? You can pick your destination
And the risk is so worth taking, can you hear me?
Your heart will never be the same
Giving up drama's days, letting go uneasy ways
When will you ever realize
Letting go all your lies, all the pain will subside
What are you to do with this?
It's either hit or miss
You know the answer now
Come on, give your heart away
I know you hurt inside
I know the reason why
Don't wait a moment
Come on and give you heart away
Why the hesitation when God is ever waiting?
Gotta stop procrastinating, can you feel me?
Why the hesitation? You can pick your destination
And the risk is so worth taking, can you hear me?
Why the hesitation when God is ever waiting?
Gotta stop procrastinating, can you feel me?
Why the hesitation? You can pick your destination
And the risk is so worth taking, can you hear me?
Did you give so easy?
So why'd you say you're too busy?
You know you need him

Come on give your heart away
Let it go, why you waiting?
You're wasting time hesitating
You know you need him
Are you ready to be free?
Why the hesitation when God is ever waiting?
Gotta stop procrastinating, can you feel me?
Why the hesitation? You can pick your destination
And the risk is so worth taking, can you hear me?
Why the hesitation when God is ever waiting?
Gotta stop procrastinating, can you feel me?
Why the hesitation? You can pick your destination
And the risk is so worth taking, can you hear me?
What you need, what you need?
What you want, what you want?
What you need is something genuine
What you want, what you want? I'm just wondering, why
Why the hesitation when God is ever waiting?
Gotta stop procrastinating, can you feel me?
Why the hesitation? You can pick your destination
And the risk is so worth taking, can you hear me?
Why the hesitation when God is ever waiting?
Gotta stop procrastinating, can you feel me?
Why the hesitation? You can pick your destination
And the risk is so worth taking, can you hear me?
Why the hesitation when God is ever waiting?
Gotta stop procrastinating, can you feel me?
Why the hesitation? You can pick your destination
And the risk is so worth taking, can you hear me?
