

Blah Blah Blah

Brooke Valentine

You come to question me
And put me on the stand
I deny everything
And lie as fast as I can
Ya ask me 21 questions
And I start to sweating
'Cuz I don't have the answers you need
So you ask me where I was
And I say I can't remember
Then you get mad at me
Boi, you know I love ya
Boi, you know I love ya like
La la la la la la la
But you always talking
Boi, you always talking sounds like
Blah blah blah blah blah blah blah
Don't ask me where I'm going
'Cuz I'll never tell the truth
You said you won't get mad
If I'm honest with you
Ya ask me 21 questions
And I start to sweating
'Cuz I don't have the answers you need
So you ask me where I was
And I say I can't remember
Then you get mad at me
Boi, you know I love ya
Boi, you know I love ya like
La la la la la la la
But you always talking
Boi, you always talking sounds like
Blah blah blah blah blah blah blah
You coming here talking
Asking me questions
Driving me crazy
And it don't feel like la la la to me
You making me scream
You make me sick
And I just can't handle it

It's blah blah blah to me
