

# Willow Weep for Me

Julie London

Willow weep for me  
Willow weep for me  
Bent your branches grin along the stream  
that belongs to sea Listen to my plea  
listen willow and weep for me Gone my lover's dream  
Lovely summer's dream  
Gone and left me here  
To weep my tears into the stream Sad as I can be  
Hear me willow and weep for me Whisper to the wind and  
say that love has sinned  
To leave my heart a breaking  
And breaking alone Murmur to the night  
to hide her starry light  
So none will find me sighing  
and crying all alone Weeping willow tree  
Weeping sympathy  
Bent your branches down  
along the ground and cover me When the shadows fall  
Bent the willow and weep for me Listen to my plea  
Hear me willow and weep for me
