

# Turn On The Music

Roger Sanchez

Feel that sound! (6x)Well I I've been waiting long enough  
Hey DJ please won't you turn it up  
Wanna feel that base, yeah  
Cause I get a rush  
And when it comes, I can't get enoughSo turn on the music  
Why don't you turn on the music  
Oh know how to use it  
When you turn on the music, music, yeah!Think it's time you turn on the music  
Feel that sound rushing over me  
Cause every time you turn on the music  
I can't control what comes over meThink it's time you turn on the music  
Feel that sound rushing over me  
Cause every time you turn on the music  
I can't control what comes over meThink it's time you turn on the music  
Feel that sound rushing over me  
Cause every time you turn on the music  
I can't control what comes over meFeel that sound washing over me, yeah!  
Can you feel it now!Think it's time you turn on the music  
Feel that sound rushing over me  
Cause every time you turn on the music  
I can't control what comes over meThink it's time you turn on the music  
Feel that sound rushing over me  
Cause every time you turn on the music  
I can't control what comes over meYou know I feel it  
When I'm out on the floor  
The rhythm starts to take a hold  
It goes right to my body  
Right down to my soul  
I think my minds gonna overloadSo turn up the music  
Why don't you turn up the music  
Oh, you know how to use  
You gotta turn up the music, music , yeahFeel that sound! (6x)Think it's time you turn on the music  
Feel that sound rushing over me  
Cause every time you turn on the music  
I can't control what comes over meThink it's time you turn on the music  
Feel that sound rushing over me  
Cause every time you turn on the music  
I can't control what comes over meFeel that sound  
Music over me yeah

Feel that sound  
Can't you feel it now  
Feel that sound  
Right down to my soul  
Feel that sound  
Turn up the music, yeah So turn up the music! (5x)
