All My Life

Nite Jewel

you ran from
from the good life
to the dark side
and all my life
i tried to find you
in the mean streets
with them beneath me
and all my life
i tried to find youyou had a good thing but you
threw away everything i knew
oh what you had to lose
you went throughnow i'm winding in circles
got me placed
don't want to settle for the chase
oh what i want to do is
see your face
