Empty Arms

Stevie Ray Vaughan & Double Trouble

You're gonna miss me little baby
The day that I'm gone
You're gonna miss me little darlin'
The day that I'm gone
'Cause I'm leavin' in the mornin'
Won't be back at allYou have run me ragged baby
It's your own fault you're on your own
You have run me ragged darlin'
It's your own fault you're on, your own
You didn't want me no way baby
Till your other man was goneYou can try to get me back baby
With all your tricks and charms
You can try to get me back baby
With all your tricks and charms
But when all your games are over
You'll be left with empty armsYou have run me ragged baby
It's your own fault you're on your own
You have run me ragged darlin'
It's your own fault you're on your own
You didn't want me no way baby
Till your other man was goneYou can try to get me back baby
With all your tricks and charms
You can try to get me back baby
With all your tricks and charms
But when all your games are over
You'll be left with empty arms
