

Around the World (feat. Jay Park)

Mizz Nina

[Mizz Nina & Jay Park]
I'm livin' my life
cause this is my time
and I fell like touching the sky I travel the globe
I want you to roll
Around the world
Around the world we go [Mizz Nina]
Nope, some cannot keep up (up, up, up)
Catch me jet-setting from point A to B
And if we're only livin' once (once, once, once)
Best believe we're makin' history From Malaysia to Korea
Gonna need a couple of visas
While I'm rackin' up the miles
I'm gonna go wild (wild, wild) [Mizz Nina & Jay Park]
I'm livin' my life
cause this is my time
and I fell like touching the sky I travel the globe
I want you to roll
Around the world
Around the world we go Around the world
Around the world [Jay Park]
Gonna set it off up in this club (set it off, set it off, set it off)
I feel like floatin' when you're touching me
Feels like I'll never get enough (enough, enough, enough)
Gotta leave your country but I'll be back in a week From Korea to Malaysia
On a very special occasion
Girl I'm rackin' up the miles
So let's go wild (wild, wild) [Mizz Nina & Jay Park]
I'm livin' my life
cause this is my time
and I fell like touching the sky I travel the globe
I want you to roll
Around the world
Around the world we go Around the world
Around the world [Bridge]
[Jay Park Rapping]
Yaw,
I'm packing my bags, heading to the airport,
Book a first class ticket and get on the plane.

At the concert I'll enjoy my stage
And after party we toast and pour the drinks.
I'm circling the globe over and over even today I don't know
sold my love like a AHJIK SOLO
But it's all good we can start with you girl
Jay Park Mizz Nina go around the world.[Mizz Nina]
Flying, flying , flying high oh oh
Make a move make a move make a move around the world[Mizz Nina & Jay Park]
I'm livin' my life
cause this is my time
and I fell like touching the skyI travel the globe
I want you to roll
Around the world
Around the world we goAround the world
Around the world
Around the world
Around the world
