You

Rick Benn

Nothing else matters when I'm with you
Nothing seems the same as it used to do
Everything I see with you seems so brand new
But the funny thing
You're just being you

Never let me down,always there for me
You're my pretty girl,you're my baby
Get a funny feeling,when I'm not with you
And I'm hoping,you feel the same way to

When I'm with you,i feel like me
The me that I always wanted to be
Loving you is what I want to do
When I'm with you I feel like me
Didn't take me very long to see
Wanna wake up with you in the morning
For the rest of my life

Nothing else matters when I'm with you
Nothing else matters when I'm with you
You_____
