Venus Doom

Him

Leave all behind now to watch her crawl
Through our dark gardens of insanity
She'll be the light to guide you back home
Just give her a kiss worth dying for
And open your arms
Watch me fall for you, my Venus Doom
Hide my heart where all dreams are entombed
My Venus Doom
Grieve all your hearts out and she'll writhe
Enthralled in tragic ecstatic agony
And in her flames we will die some more
Just show me her life worth living for
And light up the dark
Watch me fall for you, my Venus Doom
Hide my heart where all dreams are entombed
My Venus Doom
All dreams are of you, my Venus Doom
Hold me inside your infernal offering
Touch me as I fall
Don't lose yourself in this suffering
Yet hold on
Hold me inside your infernal offering
Touch me as I fall
Don't lose yourself in this suffering
Yet hold on to me
Watch me fall for you, my Venus Doom
Hide my heart where all dreams are entombed
Watch me fall for you, my Venus Doom
Hide my heart where all dreams are entombed
My Venus Doom
All tears are of you, my Venus Doom
