I Need a Life

The Damned

I need your time, I need your soul
I need this temperature to go down low
Got to realize my word's the truth
I never thought that I could loseBut when I get you on the phone
My heart is so alone
I need a life, I need a lifeI've watched you stumble
I've seen you fall
I've picked you up
When you could only crawl
Got to realize my word's the truth
I never thought
That I could loseBut when I get you on the phone
My heart is so alone
I need a life, I need a lifeI need your time, I need your soul
I need this temperature to go down low
Got to realize my word's the truth
I never thought that I could loseBut when I get you on the phone
My heart is so alone
I need a life, I need a lifeI've watched you stumble
I've seen you fall
I've picked you up
When you could only crawl
Got to realize my word's the truth
And I never thought that I could loseBut when I get you on the phone
My heart is so alone
I need a life, I need a life
But when I get you on the phone
My heart is so alone
I need a life, I need a life
And when I get you on the phone
My heart is so alone
