

Baby Drives Me Crazy

Thin Lizzy

I said, "baby, baby, baby"

Baby, baby, baby

Baby, baby, baby

Baby, baby, baby

Baby, baby, baby

Baby, baby, baby

B-b-baby

B-b-baby

Baby

Baby

Baby

Baby Still in the crowd well you drive me crazy

Baby drive me crazy

Baby drive me crazy

Crazy about you baby

Baby drives me crazy

We're a little bit crazy

Aren't we baby? Sugar with the sweet night

Sugar with the midnight

Sweet on you sugar

Love a little true love

Sweet on you honey

Take a look, hey! I said, "baby, baby, baby"

Baby, baby, baby

Baby, baby, b-b-baby

Baby, baby, b-b-baby

B-b-baby

B-b-baby

I said, "baby"

Baby

Baby

Baby
