

# All in Love Is Fair

## Stevie Wonder

All is fair in love  
Love's a crazy game  
Two people vow to stay  
In love as one they sayBut all is changed with time  
The future no one can see  
The road you leave behind  
Ahead lies mysteryBut all is fair in love  
I had to go away  
A writer takes his pen  
To write the words again  
That all in love is fairAll of fate's a chance  
It's either good or bad  
I tossed my coin to say  
In love with me you'd stayBut all in war is so cold  
You either win or lose  
When all is put away  
The losing side I'll playBut all is fair in love  
I should never have left your side  
A writer takes his pen  
To write the words again  
That all in love is fair  
A writer takes his pen  
To write the words again  
That all in love is fair
