

# Thirty Days

## The Crowdaddys

I'm gonna give you thirty days to get back home  
I done talked to the gypsy woman on the telephone  
She gonna send out a world wide hoodoo  
That'll be the very thing that'll suit you  
I'm gonna see that you be back home in thirty days  
Oh thirty days (oh thirty days!)  
Oh thirty days (oh thirty days!)  
I'm gonna see that you be back home in thirty days  
Gonna send out a world wide hoodoo  
That'll be the very thing that'll suit you  
I'm gonna see that you be back home in thirty days. I done talked to the judge in private early this morning  
And he took me to the sheriff's office to sign a warrant  
Gonna put across charges ag'in ya  
That'll be the very thing that'll send ya  
I'm gonna see that you be back home in thirty days  
Oh thirty days (oh thirty days)  
Oh thirty days (oh thirty days)  
Baby, I'm gonna see that you be back home in thirty days  
Gonna put across charges ag'in ya  
That'll be the very thing that'll send ya  
I'm gonna see that you be back home in thirty days. If I don't get no satisfaction from the judge  
I'm gonna take it to the FBI and voice my grudge  
If they don't give me no consolation  
I'm gonna take it to the United Nations  
I'm gonna see that you be back home in thirty days  
Oh thirty days! (oh thirty days)  
Oh thirty days! (oh thirty days)  
Babe, I'm gonna see that you be back home in thirty days  
Yeah, if they don't give me no consolation  
I'm gonna take it to the United Nations  
I'm gonna see that you be back home in thirty days!
