

I Can't Stop Loving You

Jessta James

(Emily)

You don't know how hard
I've tried, to get you off my mind.
To forget about you,
Just forget about you, baby.
You don't know how hard I've fought,
tryin' to get over you.
Tryin' to move on, I've gotta move on,
but I just can't let you go.

(Chorus)

No, I can't stop loving you.
No, I can't stop loving you.
No, I can't stop loving you.
No, oh no.

(Jessta)

I know that every time I try to get away from how I felt when it was you and me,

(I lose my mind)

How could you pretend like I was everything. We only needed us and it would never end.

(And say goodbye)

I can't help but feel that what we had was real. I tried to kill the pain but girl I'm hurting still.

(I'm all alone)

I know I had the best, I can't believe you left, but I was just a fool so I'll just fool myself.

(I'll be fine on my own)

(Chorus)

No, I can't stop loving you.
No, I can't stop loving you.
No, I can't stop loving you.
No, oh no.

(Emily)

How could I think I'd be okay without you?

(Jessta)

Never wanted this, I've been such a mess, girl I just can't let you go.

(Emily) You're the only one that I want till the end, can we try a-gain?

Cause, I can't stop loving you.

No, I can't stop loving you.

No, I can't stop loving you.

No, No, Oh No.

(Chorus)

No, I can't stop loving you.

No, I can't stop loving you.

No, I can't stop loving you.

No, oh no.

No, I can't stop loving you.

I can't stop loving you.

Oh loving you baby.

No, I can't stop loving you.

I can't let you go.

Ooooooh

I can't stop loving you.
