Must Be Dreaming (Soul Mekanik mix)

Frou Frou

Pay close attention
Don't listen to me from now
George'll be flying this one
And it's anyone's guess how he does this
Is the right turn wrong
Universe taking me in full bloom
Fireball careful with that there
See what you made me doI must be dreaming
Or we're onto something
I must be dreaming
For I don't fall in love lawlessly
I must be dreaming
Or pinch me to waking
So undeniably yours
As long as I'm losing it so completelyIncendiary glance
Be come and collide in me
Zoom in enhance hold
While I go helplessly sky high
Magic eye sugar rushing don't stopI must be dreaming
Or we're onto something
Hey just watcha make me
For I don't fall in love lawlessly
I must be dreaming
Or pinch me to waking
So undeniably yours
As long as I'm losing it so completely
