

Reasons for Waiting

Jethro Tull

What a sight for my eyes
To see you in sleep
Could it stop the sun rise
Hearing you weep? You're not seen, you're not heard
But I stand by my word
Came a thousand miles
Just to catch you while you're smiling What a day for laughter
And walking at night
Me following after
Your hand holding tight And the memory stays clear
With the song that you hear
If I can but make
The words awake the feeling What a reason for waiting
And dreaming of dreams
So here's hoping you've faith
In impossible schemes That are born in the sigh
Of the wind blowing by
While the dimming light
Brings the end to a night of loving
