

Brain Candy

Kill Paradise

Whoo haha
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Oh, you're looking so prettyHey, pretty lady
Oh, how you doin' today?
I would love to get to know you and make you mine
And take you off to heaven if that'd be okay
What d'you say? Let me grab you by the hand and we'll make our way
Out of town, out of the way of this mess you've been living in from day-to-day
So please don't play with fragile hearts
Just do it like you wanna, just do it like you wanna
Fall so deep they couldn't pull us apartIsn't it crazy how the world can keep you caged up, pretty girl?
When all you wanna do is throw your dress, so go ahead, Princess
And baby I'm thinking maybe that you and I should hope until the day our cries are cold
Oh and we don't have to worry at all, it'll be the best ending that anyone has ever told (yeah, yeah, yeah, yeah,
yeah, yeah)I can't help it, I'm just falling; I've learned from my mistakes and baby I'm not stalling
Sweet like pollen, sweet like cheesecake, porcelain skin, for heavens sake
Just gimme a break, just gimme some time, just gimme that look and I'll make you mine, oh Valentine
What a pick-up line, butterflies and cloud nine, intertwined all the time
You always do, you always do, you put me through this mess everyday
