

# This Is For My People

Missy Elliott

There's beauty in your soul  
(That's what makes you beautiful)  
Don't let nobody ever make you doubt it, yeah  
Your heart is free and strong  
(That's what keeps you keeping on)  
Can't keep you down, there ain't no doubt about it! Don't forget, it's all about respect  
Nothing else will do  
Remember it's your life  
Live it any way you like  
'Cause you know you got the right to This is for my girls all around the world  
Stand up, put your head up  
Don't take nothing from nobody  
This is for my girls stand up and be heard  
This is for my ladies, my sisters, all over  
This is for my girls You're someone who can be soft as silk but strong as steel  
Don't shy away from showing what you're made of, oh  
This world is yours to take, you can bend but you won't break  
You got no fear and nothing you're afraid of So don't forget, it's all about respect  
Nothing else will do  
Take a truthful to your side  
Let 'em see how bright you shine  
'Cause you know it's your time to, yeah This is for my girls all around the world  
Stand up, put your head up  
Don't take nothing from nobody  
This is for my girls stand up and be heard  
This is for my ladies, my sisters, all over  
This is for my girls Let life in with open arms  
With love and with an open heart  
We got to remember  
We'll stand strong forever  
Yeah, we stand together This is for my ladies, like soldiers we stand up  
Remember when 2Pac told us keep our head up?  
And even when the times get rough we get up  
Treat your life like a stage, you go 'head and tear it up  
Pass the mic, pass the mic, ladies come through  
Don't ever, ever let 'em try to stop or try to block you  
You better tell 'em you something better than any other  
You'll never settle, you're next level, yeah, you're making moves  
Woo, put your hands up high

This is you and I, Team Y  
Yo, yo, this is how it go, woo This is for my girls all around the world  
Stand up, put your head up  
Don't take nothing from nobody  
This is for my girls stand up and be heard  
This is for my ladies, my sisters, all over  
This is for my girls  
This is for my girls all around the world  
Stand up, put your head up  
Don't take nothing from nobody  
This is for my girls stand up and be heard  
This is for my ladies, my sisters, all over  
This is for my girls All over, my girls, my girls  
My sisters, my sisters  
(All over, this is for my girls)
