

Big White Room

Jessie J

Sitting in a big, white room alone
Tilt my head back, feel the tears fall down
Close my eyes to see in the dark
I feel young, broken, so so scared I don't wanna be here anymore, I wanna be somewhere else
Normal and free like I used to be
But I have to stay in this big, white room
With little old me I'm going crazy, I'm losing my mind
I'm going crazy in this big, white room of mine
I'm going crazy, yeah, I'm losing my mind
I'm going crazy in this big, white room of mine Sitting in a big white room alone
Close the door, don't want the pain to come in, no
I clench my fist and try to stay strong, I cry, I feel sick
My heart's beating, b-b-beating, beating out of control Can I run, run faster than you? I wanna feel my body
again
Feel the wind in my hair
But I have to stay in this big, white room
'Cause no one else cares, no, no, no, no, no, n-n-no, no I'm going crazy, yeah, I'm losing my mind
I'm going crazy in this big, white room of mine
I'm going crazy, I'm losing my mind
I'm going crazy in this big, white room of mine Everybody's looking at me, everybody's staring at me
What do I do now? Smile, yeah, yeah
Everybody's looking at me, everybody's staring at me
What do I do now? Smile, yeah, yeah, yeah Oh, yeah, yeah, yeah, yeah, oh I'm going crazy, I'm losing my mind
I'm going crazy in this big, white room of mine
I'm going cra-c-c-crazy, I'm losing my mind
I'm going crazy in this big, white room of mine I'm going crazy, I'm losing my mind
I'm going crazy in this big, white room of mine
