To Know This

Alice Russell

Ooh whoa
Don't read me your prayers
'Cause I'm not that kind
I'll talk of my own god
You talk of yours
That you fear, my fears untamed
And when it comes, it won't fail, free

Now I know this
Now I know this
Now I know this
Now I know this
Now I know this
Now I know this
I have learn't this
I know this, I am free
I am free
I am free
