The Freeze (Sizzaleenmean)

Parliament

Look here, look here
The heat's gettin' to my feet
And I got to dance
GirlCan we get you hot
(Got me hot)
Can we make your temperatures rise
(Burnin' up, burnin' up, baby)
Can we get you hot
(Got to dance)
Can we make your temperatures rise
(Make my temperatures rise, not yet)
Burnin' up
Can we get you hot
(Got me hot, pump it)
Can we make your temperatures rise
(Everybody sing it, sing it)
Got me hot
Can we get you hot
(Can I make your temperatures)
Can we make your temperatures rise
(Burnin' up, burnin' up baby)
Can we get you hot
(look out, look here)
Can we make your temperatures rise
(I got a hump in my back)
Turn off the heat
Can we get you hot
(Gettin' to me feet)
Can we make your temperatures rise
(Make my temperatures rise)
Rise, rise, rise
Can we get you hot
(Got me hot, got to dance)
Can we make your temperatures rise
(Lay out, lay out, uh)
