

# 4 Leaf Clover

Erykah Badu

Buzilla baby Catch a four leaf clover  
Maybe we'll get over  
Try and love might come your way Here I am, on a cloud  
If you want me take the chance try love out loud  
As I drift through the sky  
Shooting cupid's loving arrow you just might try So don't miss babe  
Take your time  
You've only got one chance, yes Catch a four leaf clover  
Maybe we'll get over  
Catch a four leaf clover  
Love my getcha over Catch a four leaf clover  
Maybe we'll get over  
Try and love might come your way Like the way I am free  
Going places, being things I wanna be  
Settle down, is oh so hard  
But I will pray you that one chance So pick the right one  
And don't miss it, take your time  
You only got one chance Catch a four leaf clover  
Maybe we'll get over  
Catch a four leaf clover  
Love my getcha over Catch a four leaf clover  
Maybe we'll get over  
Try and love might come your way Free as a bird, yeah, yeah, yeah  
To catch me is to catch a leprechaun  
Hold on to your rabbit's foot  
I just might be yours forever you better Catch a four leaf clover  
Maybe we'll get over  
Catch a four leaf clover  
Love my getcha over Catch a four leaf clover  
Maybe we'll get over  
Try and love might come your way Catch a four leaf clover  
(Catch a four leaf clover)  
Try and love might come your way  
(Love might getcha over) Catch a four leaf clover  
(Catch a four leaf clover)  
Try and love might come your way  
(Maybe we'll get over) Catch a four leaf clover  
(Catch a four leaf clover)  
Catch a four leaf clover

(Love might getcha over) Catch a four leaf clover  
(Catch a four leaf clover)  
Try and love might come your way  
(Maybe we'll get over) Catch a four leaf clover  
(Catch a four leaf clover)  
Catch a four leaf clover  
(Love might getcha over) Catch a four leaf clover  
(Catch a four leaf clover)  
Try and love might come your way  
(Maybe we'll get over) Catch a four leaf clover  
(Catch a four leaf clover)  
Catch a four leaf clover  
(Love might getcha over) Catch a four leaf clover  
(Catch a four leaf clover)  
Try and love might come your way  
(Maybe we'll get over)
