

# Sorry

Ciara

All I wanna say...  
Girl I wanna say...  
I'm saying that I'm sorry...Ooh ooh, ooh, oohAugust 4th, we were chilling at the house  
Said I'm done, I told you to get out  
Didn't mean a word that I said  
Cause I was hoping you would come backCause I tried and tried  
And I cried and cried  
Up late at night and I hurt  
And I tried to fight and I cried to god  
Oh please let it just work  
And I'm going crazy with you  
You got me so confused  
Cause you walked away, and I walked away  
And we should've stayed babyAll you have to do is say that I'm sorry  
Baby I'm sorry  
And I'm in love with you  
Baby I want this, baby I want this  
Say baby I'll do what it takes  
And I will be here all the way babyAll you have to do is say that I'm sorry  
Baby I'm sorryYou wanna know if I was moving on without you  
I miss you, miss you, miss you, I miss you  
To tell the truth i've thinking bout you lately  
I miss you, miss you, miss you, I miss youChristmas day, you said you had a ring  
But you changed your mind  
Too caught up in the streets  
Boy your truth is hard to believe  
Why are you really scared of meCause I tried and tried  
And I cried and cried  
Up late at night and I hurt  
Cause I put in mine and  
Worked all the time  
And you never put in your work  
And I'm going crazy with you  
You got me so confused  
Cause you walked away, and I walked away  
And we should've stayed babyAll you have to do is say that I'm sorry  
Baby I'm sorry  
And I'm in love with you  
Baby I want this, baby I want this

Say baby i'll do what it takes  
And I will be here all the way baby All you have to do is say that I'm sorry  
Baby I'm sorry You wanna know if I was moving on without you  
I miss you, miss you, miss you, I miss you  
To tell the truth i've thinking bout you lately  
I miss you, miss you, miss you, I miss you I miss the way you hold me  
The way you touch me  
I miss the way you kiss me yeah  
All I wanna do, do, do, do, do  
All I wanna do  
Is say that I'm sorry, sorry, sorry, sorry  
So sorry baby All you have to do is say that I'm sorry  
Baby I'm sorry  
And I'm in love with you  
Baby I want this, baby I want this  
Say baby i'll do what it takes  
And I will be here all the way baby All you have to do is say that I'm sorry  
Baby I'm sorry But baby I love you You know I think about you sometimes  
I wonder how you are  
Are you happy  
You see I know  
What we had was special  
And I know you know it too  
I miss you  
I really miss you...
