

(God Must Have Spent) A Little More Time On You

Cady Groves

Can this be true?
Tell me, can this be real?
How can I put into words what I feel?
My life was complete, I thought I was whole.
Why do I feel like I'm losing control?

I never thought that love could feel like this,
Then you changed my world with just one kiss.
And how can it be that right here with me, there's an angel?
It's a miracle.

Your love is like a river, peaceful and deep.
Your soul is like a secret that I never could keep.
When I look into your eyes, I know that it's true.
God must've spent a little more time on you.

A little more time.
Yes, he did, baby.

In all of creation, all things great and small,
You are the one that surpasses them all.
More precious than any diamond or pearl.
You broke the mold when you came in this world.

And now I'm trying hard to figure out
Just how I ever did without
The warmth of your smile, the heart of a child
That's deep inside leaves me purified.

Your love is like a river, peaceful and deep.
Your soul is like a secret that I never could keep.
When I look into your eyes, I know that it's true.
God must've spent a little more time on you.

On you, on you, on you.
A little more time.
On you, on you, on you.
On you, on you, on you.
Yes, he did, baby.

On you, on you, on you.

I never thought that love could feel like this,
Then you changed my world with just one kiss.
And how can it be that right here with me, there's an angel?
It's a miracle.

Your love is like a river, peaceful and deep.
Your soul is like a secret that I never could keep.
When I look into your eyes, I know that it's true.
God must've spent a little more time on you.

On you, on you, on you.
A little more time.

God must've spent a little more time on you.
