

Fightin' Over Me

Paris Hilton

Yeah, [Incomprehensible]

This is that Paris Hilton [Incomprehensible]

Thong Production

Yo, this gurl is so hot, so sexy

Every time I turn around, the boys fightin' over me

Every time I step out the house, they wanna fight over me

Maybe 'cuz I'm hot to death and I'm so, so, so sexy

All the boys, all the silly boys, they wanna fight over me

Every time I turn around, the boys fightin' over me

Every time I step out the house, they wanna fight over me

Maybe 'cuz I'm hot to death and I'm so, so, so sexy

All the boys, all the silly boys, they wanna fight over me

Up in Paris, in the Hilton Suite

I'm still chasin', yeah, still patiently waitin', ma

Come lay off them [Incomprehensible] guys

And I'ma take you to the X where them boys lie

Play the corner all day, just blaze kush

G, money for deep all day, I'm straight swoosh

From the time I had to ruck 'em in the Kanye ride

Doors up, doin' donuts on the half-court line

And any block we pass, niggers scream out Crack

Yeah, ma, you with the realest, how simple is that?

And you don't need him, you just need me

We can keep this on the low, we banned from TV

And he ain't gotta know we ran through DC

Club [Incomprehensible] may never be the same

We ODeD now

This is, this is your boy, Joe Crook

And this nigger all mad 'cuz his chick got took

Every time I turn around, the boys fightin' over me

Every time I step out the house, they wanna fight over me

Maybe 'cuz I'm hot to death and I'm so, so, so sexy

All the boys, all the silly boys, they wanna fight over me

We in the VIP, killin' the ouncin'

Whoever ain't two steppin' is really bouncin'

Yeah and you know the name of the game

So let go of your dame

She chose me ever since the DJ announced 'em

And she got the right to low button down

Or wire sale shades, the ice is bright too
And I'm around goons, might as well let me get her
I promise to send her back tomorrow around noon
Sore loser but a good winner
Besides that, she could use a lil' hood in her
A 40 from Autobond and a hood dinner
With them Binner and a Range back seat at the [Incomprehensible]
Get violent, this money wanna drive me
It's somethin' on the tip of my [Incomprehensible] that spit silent
I don't feel haters and if you feelin' some kinda way
Email 'em and tell 'em you still Jada's
Every time I turn around, the boys fightin' over me
Every time I step out the house, they wanna fight over me
Maybe 'cuz I'm hot to death and I'm so, so, so sexy
All the boys, all the silly boys, they wanna fight over me
Boys, boys, boys, boys fightin' over me
If you wanna go abroad you gon' need a [Incomprehensible]
And welcome to Paris
Boys, boys, boys, boys fightin' over me
All the boyz, all the silly boyz, they wanna fight over me
Every time I turn around, the boys fightin' over me
Every time I step out the house, they wanna fight over me
Maybe 'cuz I'm hot to death and I'm so, so, so sexy
All the boys, all the silly boys, they wanna fight over me
Every time I turn around, the boys fightin' over me
Every time I step out the house, they wanna fight over me
Maybe 'cuz I'm hot to death and I'm so, so, so sexy
All the boys, all the silly boys, they wanna fight over me
