Product Of My Own Design (Album Version)

Trapt

I've opened up my eyes, so tell me what I see
I've opened up my mind, so tell me how to think
Use your big words and show me how to speak
You can't live your life through me
I can't believe you think it's that easyYour walls of pride are only fencing you in
Your ego's been playing games with your head
You're not the mastermind
I am a product of my own designFollowing you and your promised guarantees
Free to choose as long as I live your dreams
You say my own weight could never be carried
I'll agree to disagree, I can't believe that you are that naiveYou were my eyes
You were my ears
You were my conscience all these years
