

Alicia Keys

You're used to the sound of a heart that's breaking
 I know it don't phase you anymore
 You're the king of the game that you're playing
 I know you played it a hundred times before
 You fill your bedroom up with trophies
 Then you get a kick out of closing the door
 Got all the words to keep on hoping,
 I know you said them 100 times before.
 But then there's me, a fox for your gun
 Then there's me, just love me for fun
 Baby, there's me no use in pretending
 Oh there's me.....101
 I might as well stand stand in front of a bullet
 Close my eyes and kick the chair to the floor
 It's like a speeding train is coming,
 I know you've crashed it 100 times before
 So then there's me, a fox for your gun

 Darling there's me, just love me for fun
 Ooooooh there's me no, no use in pretending
 Oh there's me.....101
 Everybody says I gotta be crazy
 That I deserve everything that I get
 But I got a feeling that makes me wanna ignore.....
 All that you've done.... 100 Times before
 Cause then there's me, could I be the one
 And baby there's me to make you undone
 Uh darling there's me no use....., no use in pretending
 Oh there's me, 101
 Me, me, 101
 So I gotta be, I gotta be, I gotta be 101
 Maybe it's time, maybe it's me
 Maybe I could be, let me pretend
 I gotta be...., I wanna be....101,
 Yeah Baby
 Yeah baby
