

The Center Of The Heart (is The Suburb To The Brain)

Roxette

What am I gonna do when I get a little excited a little in vain? Tell me, What am I gonna say when I find the center of the heart is the suburb to the brain? You're putting on a wonderful disguise. You wear them so well, those innocent eyes I want you so bad, I'm pushing my luck It feels like beeing hit by a truck. This is no place special, don't know why I came If someone has a minute, won't you explain? What am I gonna say when I find the center of my heart is the suburb to the brain? What am I gonna do when I get a little excited a little in vain?

Tell me, Singing: "Na na na na na na, Na na na na na na" Beeing with you, dealing with fire Oh, won't you come around (come out) come out (today) and play I want you so bad, answer my calls This is no place special, nothing for the same (nothing for the same) Let's spend the night within these walls If someone's got a minute, do please explain! What am I gonna say when I find the center of my heart is the suburb to the brain? What am I

gonna do when I get a little excited a little in vain? Tell me, Singing: "Na na na na na na, Na na na na na na" What am I gonna do when I get a little excited a little in vain? Tell me... (tell me, tell me, tell me, tell me) What am I gonna say when I find the center of my heart is the suburb to the brain? What am I gonna do when I get a little excited a little in vain? Tell me, Singing: "Na na na na na na, Na na na na na na" What am I gonna do now? What am I gonna do when I get a little excited a little in vain? The center of my heart... yeah, yeah, yeah!

What am I gonna say when I find the center of my heart is the suburb to the brain? C'mon, c'mon, c'mon, c'mon, c'mon hooooo! What am I gonna do now? Na na na na na na What am I gonna say when I find the center of my heart is the suburb to the brain?
