

You're Gonna Love Me

Little Big Town

You're gonna love me, baby
You're gonna wake up in another life
There will be tears, baby
And I won't be around to see you cry Yeah, when your heart is sober
Yeah, when the pieces all fall into place
Yeah, when the light comes on and it's far too late
You're gonna love me, baby You're gonna hate me, baby
You're gonna curse the day that we met
Down to the core, baby
You're gonna feel that sting of regret Yeah, when your empty handed
Yeah, when your dream is setting like the sun
Yeah, when the ink is dry and the deal is done
You're gonna hate me, baby You're gonna miss me, baby
You're gonna want what you could've had
Yeah, you'll have somethin' baby
But you're gonna want something more than that Yeah, when the pain comes calling
Yeah, when you're watching, see me moving on
Yeah, when you find the choices that you made were wrong
You're gonna miss me, baby
You're gonna hate me, baby You're gonna love me
Oh, you're gonna love me
You're gonna hate me When the light comes on, yeah
You'll see that I'm gone
You're gonna wake up, you're gonna wake up
And you're gonna love me
