

# Just a Gigolo

## Village People

I'm just a gigolo and everywhere I go  
People know the part, I'm playing  
Paid for every dance, selling each romance  
Oh what their saying And there will come a day and youth will pass away  
What will they say about me  
When the end comes I know  
They'll say just a gigolo, life goes on without me I'm just a gigolo, everywhere I go  
People know the part, I'm playing  
Paid for every dance, selling each romance  
Oh, what their saying And there will come a day and youth will pass away  
What will they say about me  
When the end comes I know  
They'll say just a gigolo, life goes on without me
