

# When the Children Cry

[Mark 'Oh](#)

Little child dry your crying eyes  
How can I explain the fear you feel inside?  
'Cause you were born into this evil world  
Where man is killing man and no one knows just why  
What have we become just look what we have done  
All that we destroyed you must build again  
When the children cry, let them know we tried  
'Cause when the children sing then the new world begins  
Little child you must show the way  
To a better day for all the young  
'Cause you were born for all the world to see  
That we all can live with love and peace  
No more presidents and all the wars will end  
One united world under God  
When the children cry, let them know we tried  
'Cause when the children sing then the new world begins  
What have we become just look what we have done  
All that we destroyed you must build again  
No more presidents and all the wars will end  
One united world under God  
When the children cry, let them know we tried  
When the children fight, let them know it ain't right  
When the children pray, let them know the way  
'Cause when the children sing then the new world begins
