

# Flow River Flow

## April Wine

(myles goodwyn)

Published by summerlea music, ltd. - bmi You know I'd spend my life with you

Share all the dreams I have with you

Do you wanna see my cry

Do you wanna see me die, do you I find it hard to face the day

I find a bar and dream I'll pay

Do you wanna see my cry

Do you wanna see me die, do you Flow river flow, and carry me home

Flow river flow, and carry me home You know I'd spend my life with you

Share all the dreams I have with you

Do you wanna see my cry

Do you wanna see me die, do you Flow river flow, and carry me home

Flow river flow, and carry me home
