

# Make It Shine

## Victoria Justice

Here I am once again  
Feeling lost but now and then  
I breathe it in to let it go  
And you don't know where you are now  
What it would come to  
If only somebody could hear  
When you figure out how  
You're lost in the moment  
You disappearYou don't have to be afraid  
To put your dream in action  
You're never gonna fade  
You'll be the main attraction  
Not a fantasy, just remember me  
When it turns out right'Cause you know that if you live in  
Your imagination  
Tomorrow you'll  
Be everybody's fascination  
In my victory just remember me  
When I make it shineReaching high feeling low  
I'm holding on and letting go  
I like to shine I'll shine for you  
And it's time to show the world how  
It's a little bit closer  
As long as I'm ready to go  
All we have is right now  
As long as you feel it inside you knowYou don't have to be afraid  
To put your dream in action  
Your never gonna fade  
You'll be the main attraction  
Not a fantasy just remember me  
When it turns out right'Cause you know that if you live in  
Your imagination  
Tomorrow you'll  
Be everybody's fascination  
In my victory just remember me  
When I make it shineEveryone can tell you how  
It's all been said and done  
That harder times will change your mind  
And make you wanna run

But you want it and you need it  
Like you need to breathe the air  
If they doubt you, just believe it  
That's enough to get you there You don't have to be afraid  
To put your dream in action  
Your never gonna fade  
You'll be the main attraction  
Not a fantasy just remember me  
When it turns out right'Cause you know that if you live in  
Your imagination  
Tomorrow you'll  
Be everybody's fascination  
In my victory just remember me  
When I make it shine
