

# Could We

## Boyhood

Could we  
Take a walk?  
Could we  
Have a talk alone  
In the afternoon?  
Could we  
Have a seat?  
Why, yes, be my guest  
You can hold my hand  
What a dream  
In the grass  
We kissed  
Fell in love too fast, too soon  
Love full bloom  
Should we get up?  
Let's wake up  
Let's get dressed  
I'll let you walk me up the street  
Back home  
Thank you  
It was great  
Let's make another date  
Real soon  
In the afternoon
