Nasty Ghetto

Sugababes

I was looking for love in all the right places
He was flirting with me and Lord, I had to flirt back
And I fell in love, right there on the dance floor, yeah
But baby, don't you know that I know that you like it like that?He got caught in the nasty ghetto
He got caught in the nasty ghettoHe turned my frown right upside down, yeah
He was looking so fine, I had to say 'baby, get in line' yeah
The beat was jumping and his hands were moving along me, yeah
But baby, don't you know that I know, you ain't got it like that?He got caught in the nasty ghetto
He got caught in the nasty ghetto
He got caught in the nasty ghetto
He got caught in the nasty ghettoCome on, pretty baby, can't you hear what I say?
You gotta like it like that, liking my way
Come on, pretty baby, can't you hear what I say?
You gotta like it like that, liking my wayI was searching for love, in all the right places, ooh
He was staring at me, I found myself staring right back, yeah
I fell in love, right there on the dance floor, yeah
But baby, don't you know that I know, that you like it like that?
But baby, don't you know that I know, that you like it like that?He got caught in the nasty ghetto
He got caught in the nasty ghetto
He got caught in the nasty ghettoBut baby, don't you know that I know, that you like it like that?
But baby, don't you know that I know, that you like it like that?
But baby, don't you know that I know, that you like it like that?
