

Big Boys Don't Cry

Extreme

Whoever said that, big boys don't cry
You say you never shed a tear
Well, listen, that's a lie
We're all defenselessWhen it comes to pain
I said boys and girls alike, yeah
We're all the same
It's my party, I'll cry if I want toBig boys don't cry
As if nothing seems to matter
Big boys don't cry
Then why do IBig boys don't cry
Because nothing in this world ever matters
Big boys don't cryHey, I'm not ashamed
To say a tear is in my eye
Because another tear will take its place
Before I die
