Schmictionary

QUARTERBACKS

i want to take
pictures of you
every single moment
but especially in the morning
when sun's pouring
through your windows
but i don't need photographs
i know just what you look like
your image is internalized
you go wherever i go
who loves you baby?i need new adjectives
to try to describe you
words are so meaningless
when they're applied to you
dictionary schmictionary
i need something better
than these
insufficient combinations
of some stupid letterswho loves you baby?
i like you
completely
every last
aspect of your
entire being
every day we
spend together
it gets easier to see
that you may not
be perfect
but you're perfect
for me
