

# Sad Song (feat. Elena Coats)

## We the Kings

You and I, we're like fireworks and symphonies exploding in the sky  
With you, I'm alive

Like all the missing pieces of my heart, they finally collideSo stop time right here in the moonlight  
'Cause I don't ever wanna close my eyesWithout you, I feel broke

Like I'm half of a whole

Without you, I've got no hand to hold

Without you, I feel torn

Like a sail in a storm

Without you, I'm just a sad song

I'm just a sad songWith you, I fall

It's like I'm leaving all my past and silhouettes up on the wall

With you, I'm a beautiful mess

It's like we're standing hand and hand with all our fears up on the edgeSo stop time right here in the moonlight  
'Cause I don't ever wanna close my eyesWithout you, I feel broke

Like I'm half of a whole

Without you, I've got no hand to hold

Without you, I feel torn

Like a sail in a storm

Without you, I'm just a sad songYou're the perfect melody

The only harmony I wanna hear

You're my favourite part of me

With you standing next to me

I've got nothing to fearWithout you, I feel broke

Like I'm half of a whole

Without you, I've got no hand to hold

Without you, I feel torn

Like a sail in a storm

Without you, I'm just a sad songWithout you, I feel broke

Like I'm half of a whole

Without you, I've got no hand to hold

Without you, I feel torn

Like a sail in a storm

Without you, I'm just a sad song, I'm just a sad song
