# Chloroform

## Porcupine Tree

Chloroform
Little retrograde, wonder where you are
Another motorcade, under radarA boy in borrowed clothes, knows he is a girl
Shards of light come down, stillness in the airBig sleeper, your deeper, too deep for me yeah
Speak clearer, can't hear you, I'm going underOn the mountain side, hold me in your gaze
But it's over now, 'cause I got kids to raise
