

Every Single Day (Radio Edit)

Benassi Bros.

Hey guy - you're the one for me
Your face - the sweetest thing I've ever seen
Stop by - dedicate to me
Your time - your time At night - it really gets to me
I find nobody is here with me
Stop by - say you'll stay with me
You're the one I really miss Every single day - single hour
I can see your face - single day
Every single day - single hour
I can see your face - single day
Every single day - single hour
I can see your face - single day
Every single day - single hour
I can see your face - single day Hey guy - you're the one for me
Those eyes - the loveliest I've ever seen
Stop by - Just to say to me
You're mine - you're mine
