No End To This Road

Restless Heart

On the edge of the gravel where the black top ends
We?re about to travel to where we?ve never been
Don?t need no signs no map we?ll just follow the wind
Cut a path through the wheat fields no way we?ll get lost
Set stones in the river so we can get across
And that mountain up ahead we?ll climb
Take off running up hill, yes, we will
'Cause there ain?t no end to this road
No matter what direction we go
As long as we?re together it goes on forever
There ain?t no end to this road
Well, this love is a journey to who knows where
We?ll get a little closer with every mile that we share
Whatever our destination we?ll let our hearts take us there
Yes, we?ll, will now
'Cause there ain?t no end to this road
No matter what direction we go
As long as we?re together it goes on forever
There ain?t no end to this road
Well, this love is a journey to who knows where
We?ll get a little closer with every mile that we share
Whatever our destination we?ll let our hearts take us there
Yes, we?ll, will now
'Cause there ain?t no end to his road
No matter what direction we go
As long as we?re together it goes on forever
Any kind of weather, baby whatever ain?t no end to this road
Ain?t no end to this road
(This road goes on and on)
It goes on and on and on, yes
(This road goes on and on)
Ain?t no end to this road
(This road goes on and on)
