

Murder (Feat. Izza Kizza)

Ashlee Simpson

One single dose of your medicine
You tell me to leave but I come back again
I don't see what all the fuss is about 'cause I'm okay
Soon you will see that I got ability to get my ways
So don't keep me in the dark 'cause I'll find the light (find the light)
Don't keep me in the dark 'cause I'll find the light (don't don't don't)
I said don't keep in the dark 'cause I'll find the light (find the light)
Don't keep in the dark, don't keep in the dark
I was alone until I found Johnny
He was a good boy until he got behind me
No she didn't, yes she did
I got a monkey on my back
He helping me get it off, he helping me get it off
I got a monkey on my back
He helping me get it off, he helping me get it off
So don't keep me in the dark 'cause I'll find the light (find the light)
Don't keep me in the dark 'cause I'll find the light (don't don't don't)
I said don't keep in the dark 'cause I'll find the light (find the light)
Don't keep in the dark, don't keep in the dark
They told me to get my motherfuckin' hands up
But I was handcuffed to the bed and couldn't get em up
I'm your sunshine, sunrise (you're my sunshine)
You make it sound easily for me to cry (so easily for me to cry)
I'm your sunshine, come get by
My fears go black in the moonlight
I got a monkey on my back
He helping me get it off, he helping me get it off
I got a monkey on my back
He helping me get it off, he helping me get it off
I got a monkey on my back
He helping me get it off, he helping me get it off
I got a monkey on my back
He helping me get it off, he helping me get it off
So don't keep me in the dark 'cause I'll find the light (find the light)
Don't keep me in the dark 'cause I'll find the light (don't don't don't)
I said don't keep in the dark 'cause I'll find the light (find the light)
I said don't keep in the, I said don't keep in the dark
I get away with it, I get away it
Ah
I get away with it, I get away it
They say I get away with murder
They say I get away with murder
They say I get away with murder
