Time (Take Your Time)

Scatman John

Time...
Time...
Take your time
We can do, we can do, we can do it
Take your time
We can do, we can do, we can do it
Whoa, we can do, we can do, we can do it
Take your time
We can do, we can do, we can do it

You know that I've been licked and I'm terminally hip
And you see me crawlin' in again reekin' of the same gin
Through the door many times, same condition, broken mind
Gotta start the same show all over again
Powerless, flowerless, cannot do this anymore
Remember to surrender to the power of your choice
Acceptance is the answer page 449
Slow down, take it easy Tommy, ain't no hurry here

Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.

Take your time
We can do, we can do, we can do it
Take your time
We can do, we can do, we can do it

[scatting]

Inventory, purgatory, checked out my soul
I'm a legend in my own time, legend in my own mind
The plug's in the jug and reality's setting in
The pink cloud's wearin' thin, the girls are lookin' good
But I'm broke. But I'm broke.

Hey Tommy, lookin' good, got a tan, feelin' better
Heard you reading Chapter 5, you know how to stay alive
Every morning on your knees, ninety meetings, ninety days
Heard you share, well we care, check it out Tommy

Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.

Take your time
We can do, we can do, we can do it
Take your time
We can do, we can do, we can do it

[scatting]

We can do, we can do, we can do it
We can do, we can do, we can do it

[scatting]

Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.
Time, take a day at a time.

[scatting]
