

# When You Wish Upon a Star (From "Pinnochio")

Cliff Edwards

When you wish upon a star  
Makes no difference who you are  
Anything your heart desires  
    Will come to you  
If your heart is in your dream  
    No request is too extreme  
When you wish upon a star  
    As dreamers do  
    Fate is kind  
She brings to those to love  
    The sweet fulfillment of  
    Their secret longing  
Like a bolt out of the blue  
Fate steps in and sees you through  
When you wish upon a star  
    Your dreams come true
