

Hold Me Kill Me Slay Me

Curse Of Cassandra

(Hold me... Hold you)

Is it the call of your hands crawling over mine?
Feels like I'm caught in the maze of your mad design

Could it be all the ways you shiver
Rolling down my spine?

Always lovely hearing your voice

In the dead twilight

Hold me, I'll hold you

Kill me, I'll kill you

Slay me, I'll slay you

Hold me, I'll hold you

Kill me, I'll kill you

Slay me, I'll slay you

For the last time

How do I bury you?

How do I bury you?

There's no escape from your world of insanity
Am I awake or drowning in my memories?

Everything you are controls me

Why do I love this cage?

No one keeps me torn up like you

I want you all the same

Hold me, I'll hold you

Kill me, I'll kill you

Slay me, I'll slay you

Hold me, I'll hold you

Kill me, I'll kill you

Slay me, I'll slay you

For the last time

Hold me, I'll hold you

Kill me, I'll kill you

Slay me, I'll slay you

Hold me, I'll hold you

Kill me, I'll kill you

Slay me, I'll slay you

For the last time

Hold me, I'll hold you

Kill me, I'll kill you

Slay me, I'll slay you

Hold me, I'll hold you
Kill me, I'll kill you
Slay me, I'll slay you
For the last time
