

# Craziest Feeling

## Orange Juice

I feel the song  
I feel the song coming on  
And it's comin' on strong  
And it's comin' on strong  
I know a girl  
And she wears blue jeans  
She's the prettiest girl that I've ever seen  
Saw her yesterday in a truck stop caf    
As I pulled up in my Chevrolet  
She came along for the ride  
I felt queasy inside  
I got the craziest feeling that I can't deny  
Riding out our destination  
I told her in exasperation  
"Oh Darling"  
When I find myself falling for that girl  
I jump inside a phone booth they call heartbreak hotel  
Every time I call her the hearts engaged  
Leaving me and my life in disarray  
I turn up the Radio  
We drove a little faster  
My heart's caving in like a mining disaster  
She came along for the ride  
I felt broken inside  
I felt the craziest feeling that I can't deny  
Arriving at our destination  
I told her in exasperation  
"Oh darling"  
Oh baby when you look at me that way  
I have to ask you why won't you stay?  
Just stick with me for just another day  
Or I'm going to hit you with a krypton ray  
Oh baby give me one more chance  
I'll put a dime in the juke box  
Let's you and me dance  
I said you and me baby  
give me that special sign  
Oh you ain't no lover  
And you ain't no friend of mine

(Woah woah woaaaaah)  
(She ain't no friend)  
(no friend)  
well she ain't no friend  
she ain't no friend  
she ain't no friend of mine  
(no friend)  
I said she ain't no friend  
she ain't no friend  
she ain't no friend of mine  
(no friend)  
she ain't no friend  
she ain't no friend  
she ain't no friend of mine  
(no friend)
