

# Classic Girl (Demo)

## Jane's Addiction

4:05

In my neighborhood,  
When shots go off,  
No one bothers.  
A POP, and a reply POP, and no reply  
Dinosaurs on the quilt I wore  
With a girl.  
Such a classic girl,  
Such a classic girl,  
Such a classic girl Gives her man great ideas.  
Hears you tell your friends,  
Hey man, listen to my great idea!  
It's true I am a villain  
When you fall ill,  
that's probably because Men never can be.  
Not like a girl.  
A classic girl,  
Such a classic girl They may say, Those were the days,,  
But in a way,  
You know for us these are the days.  
Yes, for us these are the days And you know you're my girl!  
Such a classic girl,  
Such a classic girl Yeah for us these are the days
