

The Fizzy and the Still

Mark Knopfler

Sunday mornin, here we are
The boys come home
Not quite the movie starHes been in Hollywood
The boys come home
The boys done goodHe says she asked too high a price
Neglecting to declare
What sits between them there on ice
Chilled with the fizzy and the still
He tried but didnt make it thereIts not for me
Its not for meHe says she asked too high a price
Neglecting to declare
What sits between them there on ice
Chilled with the fizzy and the still
He tried but didnt make it thereIts not for me
Not for meSunday papers, here we are
The boys come home
The boys come home
