Elsewhere

Joey Tempest

There's a place that I'd like to reach
I have tried, and tried, and tried, and tried
To the secret places that you keep
I am repeatedley denied
Oh, won't you let me in
I'm on your side

Do you still love me
Do you honestley care
Cause I am still with you
But you are elsewhere
Yes you are elsewhere

There's a voice that I'd like to hear
Words of a poet that I used to know
Now your eyes they keep starin into nowhere
If I knew what was hurting you so
Oh won't you take me there
Dark places you hide

Do you still love me
Do you honestley care
Cause I am still with you but you are elsewhere
Yes you are elsewhere

Oh won't you let me in
I'm on your side

Do you still love me
Do you honestley care
Cause I am still with you
But you are elsewhere
Do you still love me (do you still love me)
Do you honestley care
Cause I am still with you (I am still with you)
But you are elsewhere
Yes you are elsewhere
You are elsewhere
